## MARINE

It is a long time since a steamer has been received with such ceremony as greeted the Siberia yesterday morning. The first greeting was conveyed by the customs, quarantine and immigration officials, who, with a group of newspaper men, went out in launches to meet the distinguished visitors. When the Siberia passed the old Brewer wharf the Governor's salute of seventeen guns was fired by a detachment of the National Guard which was stationed there for the purpose. Three companies of the guard, under the command of Colonel Johnson, were at the shore end of the Hackfeld dock, and Governor Carter, accompanied by his wife, passed through their lines as he landed.

Secretary of Commerce and Labor Straus, accompanied by his wife and son, Roger Straus; Mr. and Mrs. Nicholas Longworth, Associate Justice Hartwell, soon to become Chief Justice of the Territorial Supreme Court; Inspectors of Hulls and Boilers O. F. Boiles and J. K. Bulger, Hon. J. G. Woolley, the temperance attorney and advocate, were among the passengers to receive cordial greetings from their friends.

The Siberia brought in 650 tons of freight for this city, an unusually large shipment from the Coast to come here on one of the through boats. The Oriental freight at this season is a little light and for this reason the local merchants are getting better service from the Pacific Mail than under ordinary circumstances.

The Siberia sailed for the Orient last night at 6 o'clock, taking a small amount of freight, two cabin passengers, who have been stopping over here on their way to the Orient, and seventy Japanese and Chinese on their way back home.

The officers of the Siberia state that there has been no captain for the Manchuria, which is due to sail from San Francisco on August, appointed as yet. Captain Saunders is still in charge of the big liner, but no one knows whether he will take her out or not. It is stated definitely, however, that Harry Lewis, who has been through here many times on the Korea and other steamers of the Pacific Mail, will come out as the Manchuria's chief officer.

### CARGO FOR HILO.

The bark Andrew Welch sailed for Hilo on Sunday with an assorted cargo, valued at \$4,980, and including the following: 300 bbls flour, 5195 gals wine, 27 gals brandy, 108 cts wheat, 2695 cts barley, 1435 bales hay, 10,125 lbs beans, 625 lbs peas, 15,724 lbs mid-11,931 lbs bran, 724 gals vinegar, 4500 lbs salt, 178 cts canned goods, 2712 lbs bread, 2700 lbs lard, 28 pkgs groceries and provisions, 150 lbs peas, 25 pkgs potatoes, 252 lbs garlic, 900 lbs butter, 855 lbs table meals, 9 pkgs wagon material, 300 cs and 2 tanks coal oil, 25 cs gasoline, 15 cs motor spirits, 1,017, 025 lbs fertilizer, 3 drums acid, 1379 lbs tobacco, 33 pkgs iron, 59 pkgs steel, 4 pkgs brooms, 20 pkgs paints, 4 cs and 4 pkgs oils, 6 rolls leather, 25 cs candles, 100 doors, 9 pkgs windows, 225 boxes soap, 3000 pcs sewer pipe, 1400 bbls lime.

## THE INAUGURAL ON AUGUST 15

It Will Be Held in the Forenoon With Appropriate Ceremony.

Governor Carter expects to turn over the office of chief executive of the Territory to Walter F. Frear, August 15. While that date has not been absolutely decided on, it is in contemplation. The inauguration will probably take place at 10 o'clock in the forenoon, and will be conducted with ceremonial befitting the office. Whether or not there will be a grand ball in the Throne Room of the Capitol, as the closing social function of the present administration, is a matter still unsettled.

The Governor and Mrs. Carter were met at the wharf by their children and other relatives, and were quickly whisked off to their Judd street home in an automobile. The Governor in fine spirits, and looking exceedingly well, was at his office at ten o'clock, and he came down again in the afternoon. He was in consultation with heads of departments, and besides, received a large number of callers, official and unofficial. Among the first of his callers was Chief Justice Frear with whom he discussed matters for a quarter of an hour or more. Among other callers were W. O. Smith, F. M. Hatch, and H. E. Cooper.

"I can't take the time to speak of all the matters relating to the Territory which engaged my attention during my absence," said Governor Carter. "In regard to the federal building site, I have been misunderstood, and I am now dictating a statement on the subject."

"As to other matters, the geological survey of the Islands, for instance, the man did not show up in San Francisco, and I don't know what did become of him."

"It is probable that the change of administration will take place August 15. It hasn't been absolutely determined, but it will probably be that date, and at 10 o'clock in the morning. As to a ball in the Throne Room the night before the change of administration, that has been thought of but not determined on; but in view of the public reception to be given next Saturday evening in that room, and the difficulty of getting the floor into proper shape, it will probably not be given."

"I shall at once complete my annual report to the Secretary of the Interior, and the making of that report will be the closing act of my administration. I shall not take up new matters of administration, unless absolutely necessary, leaving to my successor the consideration and decision of such matters."

"The inaugural ceremonies, as I have said, will probably be at 10 o'clock in the morning. I shall make an address seeking to point out the lessons from the experiences of my administration, and the direction of the best interests and highest hopes of the Territory."

"I was in Washington a number of days. I saw the President several times. He still retains the liveliest interest in us. He would like to visit Hawaii. Perhaps he may. He would not be welcomed more heartily anywhere than here."

"I enjoyed my trip, but I am glad to be back."

The Governor's office had been decorated in honor of his return with garlands of malle and carnations.

### HAWAII'S DELEGATES RETURN FROM ABROAD

Rev. E. B. Turner, assistant pastor of Central Union church, returned yesterday from a four months' trip abroad, in which he visited Egypt and the Holy Land.

In Asia Minor he landed at Beyrout and went thence by rail to Damascus, the oldest city in the world. He visited the ruins at Baalbec where so many wonderful discoveries in archaeology have been made in the past few years. From Damascus he went by rail to the Sea of Galilee, and thence by horse to Jerusalem.

He spent considerable time in the Holy Land, visiting most of the places mentioned in the gospels in connection with Christ's ministry.

Mr. Turner spent four days in Egypt, mostly in Cairo, though he went to the pyramids and climbed to the top of the Great Pyramid in twelve minutes, showing the advantage of being an athlete. He also visited the ancient and ruined city of Memphis.

At Rome, Mr. Turner was the representative of Hawaii in the World's Convention of the Young Men's Christian Association.

Moses K. Nakulua, the delegate from the Christian Endeavor Union of Hawaii to the annual Christian Endeavor Convention of the United States, at Seattle, also returned by the Siberia. He says that it was a wonderful gathering, fully ten thousand delegates being present from every State and Territory in the Union and from many foreign countries.

He spent several days in San Francisco both going and coming. He visited the Cliff House, the Golden Gate Park, Oakland and other places of interest. The work of rebuilding the place, he says, is going on with wonderful energy.

### THE TRIP NOT A JAUNT.

Theodore L. Weed, the private secretary to Secretary of Commerce and Labor Straus, says that this trip has not proved a jaunt. The department includes twelve bureaus, and stations or offices of some one of them were found at almost every place they stopped.

## F. W. MILVERTON IS A CANDIDATE

Submits His Name to Coming Governor for Attorney Generalship.

Frederick W. Milverton yesterday announced himself to coming Governor W. F. Frear as a candidate for the office of Attorney General.

He stated that he understood no reply was to be expected, one way or another, until Judge Frear entered on his executive office. The Chief Justice told him that his understanding was correct.

Mr. Milverton was assistant to County Attorney Douthitt in the first period of county government. Since then he has been a deputy of the Attorney General, with land and water cases as his specialty.

While on his recent visit to Shanghai he saw by the Honolulu papers that Deputy Attorney General M. F. Prosser was named as the probable successor of Attorney General E. C. Peters, with himself as the first deputy in succession to Mr. Prosser. Mr. Milverton, however, concluded to enter the lists as a candidate for the headship of the Territorial law department.
